AN INDIAN summer is in the air. Feels like it's still time to enjoy one last rose. Jeremy at the Seddon Wine Store has just the wine: the S.C. Pannell 2009 Arido rose, a 100 per cent grenache that is extremely tasty and now on discount. The wine was \$28, now it's \$22. Steve (S.C.) Pannell is one of the great winemakers of McLaren Vale and won the trophy for the best rose at the 2009 McLaren Vale Wine Show with this wine. It's chock-full of cherries and strawberries, with excellent balanced acidity and is as fresh to drink as it looks.
